

Ministry Publishing Interview with Dan Case

Description

Ministry Publishing Interview with Dan Case proved to be historic and an absolute thrill! This is a man that God has used and is using today.

Interview with Brother Dan Case

It was a real honor to have Brother Dan Case visit me in my studio. He is a man I have known and loved in the Lord for years. His knowledge of the Bible, experience serving the Lord, and the Presence of the Lord in his life are striking features that immediately draw you to him.

We spent approximately 19 minutes talking about his life, salvation, and service. He is a remarkable man!

Interview with a Christian.

Dan Case was born into a Christian family that didn't really have their doctrines down pat. It led to confusion on his part until he learned the truth. Once he understood that salvation is a gift of God that cannot be earned and is by grace alone, he asked Jesus into his heart!

But he still had much to learn before God could use him.

Missions

Early on in his Christian Walk Dan Case was burdened for Missions. Both he and his wife supported missions and raised their children in the Christian faith. But then God called them to a place far away and little known. It was the FIJI Islands.

Interview with a Christian Author

He didn't say in the interview how he came to be published by T&R Independent Books because I didn't ask. He did mention the pressure that others put on him to be published. But eventually he came to me and became one of my clients.

Working with him has been a joy. Every client has their own way of doing things, but he was true to his self-description as a simple man. He was straightforward, he had an idea of what he wanted, and he trusted me.
