

Blog by Ron â?? The Best of Tess

Description

The Best of Tess is a book that I have written in honor my late wife, Tess Riddle. To most people she was known as Teresa, but to her fans she was known as Tess.

The Best of Tess is a Testimony

Tess wrote three Ladies Devotionals, all of which are in the book. They have been moderately edited to present a unified appearance.

These devotionals were all published in 2022. Not only that, but she also republished a novel with a different title, cover, and update text. I marvel that she got so much done in one year, yet she was a novice as a writer.

The Book was a work of Love

Teresa and I were married for 41 years. That is not a record, but in this day and age it is an accomplishment. On her last night, she woke up between 2:00 and 3:00 am needing to use the restroom. I put her in her wheelchair and took her to it. Afterwards I took her back to the couch where she had been sleeping because it was more comfortable than the bed. As I went back to my bed, she called out, â??I love you!â?•

I responded, â??I love you, also.â?•

That was the last words we ever spoke to one another and they have been a blessing and an encouragement to me ever since.

It wasnâ??t long before I decided to write this book. I am pleased that it is now written.

The Best of Tess is Unique

You might wonder why I say that. It is unique because I have included the unfinished and unpublished fourth devotional. In this devotional she goes into detail about her battle with cancer. But it was never finished because a related issue occurred that put her into the hospital.

Not only that, but I added a postscript to that last book that included the story of her final battle. Not with cancer, but with a deadly infection caused by radiation.

Tess's Last Days

From December 19th to February 19th Teresa had an incredible journey. It would spoil it to tell the details. But there were trials and blessings. We grew closer over this period time in which we thought she was getting better.

The Best of Tess is on Sale

Not only is the book on sale because it is just being release, but it is on sale because later this month (September 2023) we will be celebrating her life in a Memorial Service. It will be at 2:00 pm on September 30, and will be live streamed for those who can't make it.

The retail price is \$14.99, but it is on sale for \$8.85, a 41% discount. That discount matches the number of years we were married.

To get your copy at retail, simply go to: [Amazon.com](https://www.amazon.com)

.To visit our bookstore and get your copy on sale, go to [TR Bookstore](#) and look around. You'll find books by my late wife Tess, plus books by me, including ***Hurricane Ian Winds of Providence & Provision***.
