Reduced prices 2025 opens the New Year with a spectacular Sale. Basic Authors Training Course and Ministry Publishing prices are being reduced.

Thatâ??s right. While the economy has settled down a bit since the Presidential election, it is still uncertain. So, T&R Independent Books has decided that students and clients deserve a break. The idea? Get the New Year started with a bang.

## What are the reduced prices for Basic Authors Training?

B.A.T. was earlier reduced to $4500 and it attracted attention. But while the economy is on an uptick it has been reduced by another $50 just to demonstrate T&Râ??s commitment to keeping prices low.

## What are the reduced prices for Ministry Publishing?

This is T&Râ??s most popular service and has been selling for $899.00 or $80 a month for a 12-month subscription. It will now be available at $849.00 or $ 71.00 a month for a 12-month subscription. Again, grateful for the attention this has been reduced by $50.

## What is Basic Authors Training

This is a writing course that transforms the novice or new writer into a published author status. When you sign up for this course, you are entered into a self-paced course that uses the unique 2-tier method.

This method teaches you the fundamentals while you are writing. The first tier is teaching. As your teacher I use my over 20 years of writing experience to teach you fundamentals that will strengthen your writing experience.

The second tier is coaching. Again, I use my 20 plus years of experience as a published author to coach you to success. You start writing almost from the very beginning. As you move toward the finish line the two tiers move closer together eventually merging. During this time, you have learned how to write, edit, create characters that can carry your story, and much more.

## What is Ministry Publishing?

What is easily the best-selling service offered, it is a service aimed at Christians who are actively serving in their church. This can be preaching, teaching, office work, grounds keeping, maintenance, singing, playing an instrument, working in the Sound Room, and so much more. It can be paid or unpaid.

The truth is that T&R Independent Books wants to give Christians who are actively serving their church or mission field a voice in the literary world.

## How long will Reduced Prices last?

It is scheduled for the entire year. Of course, there may be special sales along the way, but nothing has been scheduled yet.

Now is the time t***o get started*** on your writing career or to renew it. You have something that God has given you to share, donâ??t let this opportunity pass you by.
